

Students Satisfaction Survey Report (2022-23)

The students are an integral part of the institution. In order to capture the experiences of students for the academic session 2022-2023, a questionnaire of 21 parameters has been framed and forwarded online. The questionnaire of the survey includes 21 questions to which responses are given anonymously by the students of the institution with the help of Google Forms. The survey components include an institute level feedback on infrastructure and learning experiences. The outcome of the survey will help to reach the objective of the institution. This will also help to initiate remedial action to improve the facilities whenever and wherever it is required. The result of the survey will provide a base to plan for the future. The analysis of the survey conducted shows that, students were highly satisfied on the Teaching Learning Process of the institution. Students have expressed satisfaction over the syllabus covered in their classes and laboratories. The survey questions include the parameter like facilities, syllabus, redresses of grievances, course outcomes and related activities in the college revealed that the students are highly satisfied. At the same time the students highly appreciated and satisfied with the implementation of learning outcome based curriculum which includes communication of teacher with students, teaching methodology, seminar works and its follow up made by the faculty throughout the semester. They also satisfied and acknowledged the effort put by the faculty in promoting and conducting workshops especially Hands on training sessions Interdisciplinary Learning Programms implemented in the institution since they are very much helpful to them to see the world beyond their prescribed curriculum and also motivating them to learn other subject or practical. The parameter like faculty participation in identifying strength and weaknesses to strengthen and overcome those respectively, institutional ability in inculcating soft skills, life skills and employment skills among the students to the world of words, teaching with ICT tools by the faculty along with the appropriate teaching Pedagogy has been rated high in the survey
